

# Independent Auditor's Report

To the Members of Dabur India Limited

Report on the Audit of the Consolidated Financial Statements

## Opinion

1. We have audited the accompanying consolidated financial statements of Dabur India Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), and its joint venture, as listed in "Annexure 1", which comprise the Consolidated Balance Sheet as at 31 March 2024, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement, the Consolidated Statement of Changes in Equity for the year then ended, notes to the consolidated financial statements and material accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India of the consolidated state of affairs of the Group, and its joint ventures, as at 31 March 2024, and their consolidated profit (including other comprehensive income), consolidated cash flows and the consolidated changes in equity for the year ended on that date.

## Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its joint venture in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

## Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiaries, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
5. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matter	How our audit addressed the key audit matter
<b>A. Revenue recognition</b> Refer note 34 to the consolidated financial statements. Revenue of the Group consists primarily of sale of products and is recognized when control of products being sold is transferred to customer and there is no unfulfilled obligation. Revenue is measured at fair value of the consideration received or receivable and is accounted for net of rebates and trade discounts.	<b>Our key procedures included, but were not limited to, the following:</b> a) Assessed the appropriateness of the Group's revenue recognition accounting policies, including those relating to rebates and trade discounts by comparing with the applicable accounting standards; b) Tested the design and operating effectiveness of the general IT control environment and the manual controls for recognition of revenue, calculation of discounts and rebates; c) Performed test of details: i. Tested, on a sample basis, sales transactions to the underlying supporting documentation which includes goods dispatch notes and shipping documents;

Key audit matter	How our audit addressed the key audit matter
<p>The estimation of discounts, incentives and rebates recognized, related to sales made during the year, is material and considered to be complex and subject to judgments. The complexity mainly relates to various discounts, incentives and scheme offers, diverse range of market presence and complex contractual agreements/commercial terms across those markets. Therefore, there is a risk of revenue being misstated as a result of inaccurate estimates of discounts and rebates.</p> <p>The Group also focuses on revenue as a key performance measure, which could create an incentive for overstating revenue by influencing the computation of rebates and discounts.</p> <p>Considering the materiality of amounts involved, significant judgements related to estimation of rebates and discounts, the same has been considered as a key audit matter.</p>	<ul style="list-style-type: none"> <li>ii. Reviewed, on a sample basis, sales agreements and the underlying contractual terms related to delivery of goods and rebates to assess the Group's revenue recognition policies with reference to the requirements of the applicable accounting standards;</li> <li>iii. Assessed the Group's process for recording of the accruals for discounts and rebates as at the year-end for the prevailing incentive schemes;</li> <li>iv. Tested, on a sample basis, discounts and rebates recorded during the year to the relevant approvals and supporting documentation which includes assessing the terms and conditions defined in the prevalent schemes and customer contracts;</li> <li>v. Obtained supporting documentation for a sample of credit notes issued after the year end to determine whether the transaction was recognized in the correct accounting period; and</li> <li>d) Compared the discount, incentives and rebates of the current year with the prior year for variance/trend analysis and where relevant, conducted further inquiries and testing to corroborate the variances by considering both internal and external benchmarks, overlaying our understanding of industry practices and recent changes in economic environment; and</li> <li>e) Assessed the appropriateness of the Group's description of the accounting policy, disclosures related to discounts, incentives and rebates and whether these are adequately presented in the consolidated financial statements.</li> </ul>
<p><b>B. Litigations and claims - provisions and contingent liabilities</b></p> <p>Refer note 47A and 48 to the consolidated financial statements.</p> <p>The Group is involved in direct, indirect tax and other litigations ('litigations') that are pending with different statutory authorities.</p> <p>The level of management judgement associated with determining the need for, and the quantum of, provisions for any liabilities arising from these litigations is considered to be high. This judgement is dependent on a number of significant assumptions and assessments which involves interpreting the various applicable rules, regulations, practices and considering precedents in the various jurisdictions.</p> <p>This matter is considered as a key audit matter, in view of the uncertainty regarding the outcome of these litigations, the significance of the amounts involved and the subjectivity involved in management's judgement as to whether the amount should be recognized as a provision or only disclosed as contingent liability in the consolidated financial statements.</p>	<p><b>Our key procedures included, but not limited to, the following:</b></p> <ul style="list-style-type: none"> <li>a) Assessed the appropriateness of the Group's accounting policies relating to provisions and contingent liability by comparing with the applicable accounting standards;</li> <li>b) Assessed the Group's process and the underlying controls for identification of the pending litigations and completeness for financial reporting and also for monitoring of significant developments in relation to such pending litigations;</li> <li>c) Assessed the Group's assumptions and estimates in respect of litigations, including the liabilities or provisions recognized or contingent liabilities disclosed in the consolidated financial statements. This involved assessing the probability of an unfavorable outcome of a given proceeding and the reliability of estimates of related amounts;</li> <li>d) Performed substantive procedures on the underlying calculations supporting the provisions recorded;</li> <li>e) Assessed the management's conclusions through understanding relevant judicial precedents in similar cases and the applicable rules and regulations;</li> <li>f) Obtained legal opinions from the Group's external legal counsel, where appropriate;</li> <li>g) Engaged subject matter specialists to gain an understanding of the current status of litigations and monitored changes in the disputes, if any, through discussions with the management and by reading external advice received by the Group, where relevant, to validate management's conclusions; and</li> <li>h) Assessed the appropriateness of the Group's description of the accounting policy, disclosures related to litigations and whether these are adequately presented in the consolidated financial statements.</li> </ul>

Key audit matter	How our audit addressed the key audit matter
<p><b>C. Recoverability of goodwill pertaining to step down subsidiary companies</b></p> <p>Refer note 7D to the consolidated financial statements.</p> <p>The consolidated financial statements of the Group as at 31 March 2024 carries goodwill amounting to ₹ 405.12 crores. This goodwill was recorded on the acquisition of subsidiaries in earlier years.</p> <p>Goodwill is tested for impairment annually at the cash generating unit level, whereby the carrying amount of the cash generating unit (including goodwill) is compared with the recoverable amount of the cash generating unit.</p> <p>The recoverable amount is determined on the basis of the value in use which is the present value of future cash flows of the cash generating unit. The present value is determined using discounted cash flow model. The Group's approved annual plans forms the starting point which is then updated with assumptions of long term growth rates. This also takes into account expectations about future market developments and other macroeconomic factors in the current year on such assumptions. The discounting is based on weighted average cost of capital of the cash generating unit.</p> <p>The result of this evaluation is highly dependent on management estimates, which among others include, the expected business and earnings forecasts for future years, the assumed long-term growth rates and the discount rate used and is therefore subject to considerable judgement.</p>	<p><b>Our key procedures included, but not limited to, the following:</b></p> <ol style="list-style-type: none"> <li>Assessed the appropriateness of the Group's accounting policies, including those relating to recognition, measurement and impairment of goodwill by comparing with the applicable accounting standards;</li> <li>Assessed the appropriateness of the significant assumptions as well as the Group's valuation model with the support of our valuation specialists. This included a discussion of the expected development of the business and results as well as of the underlying assumptions used with those responsible for the planning process. The Group has engaged external experts to carry out impairment analysis. We also assessed the relevant skill set/experience of the management expert in respect of carrying out the valuation;</li> <li>Compared the discount rate used (in particular the underlying parameters such as risk free rate, market risk premium and the beta factor) with the publicly available information and also checked mathematical accuracy of the valuation model;</li> <li>Evaluated the appropriateness of the weighted average cost of capital considered in the valuation;</li> <li>Evaluated reasonability of projections for the purpose of arriving at future cash flows.</li> <li>Assessed the robustness of financial projections prepared by management by comparing projections for previous financial years with actual results realized and considering recent changes in global economic environment and analysed significant deviations, if any;</li> <li>Performed a sensitivity analysis for reasonably possible changes in the sales growth, discount rate applied and the long-term growth rate; and</li> <li>Assessed the appropriateness of the Group's description of the accounting policy and disclosures related to goodwill and impairment testing and whether these are adequately presented in the consolidated financial statements.</li> </ol>
<p><b>D. Identification of Material Accounting Policies</b></p> <p>Refer note 6A and 6B to the Consolidated Financial Statements.</p> <p>Following amendment of Ind AS 1, special attention was laid for identification of material accounting policies.</p>	<p><b>Our key procedures included, but not limited to, the following:</b></p> <ol style="list-style-type: none"> <li>Identification of entries treatment of which are permissible for various means of treatment through evaluation in item specific context. The group's treatment disclosed therefor under broad head of material accounting policies.</li> </ol>

#### Information other than the Consolidated Financial Statements and Auditor's Report thereon

- The Holding Company's Board of Directors are responsible for the other information. The other information comprises the information included in

the Management Discussion and Analysis, Report on Corporate Governance, Business Responsibility and Sustainability Report and the Directors' Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

7. The accompanying consolidated financial statements have been approved by the Holding Company's Board of Directors. The Holding Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its joint venture in accordance with the Ind AS specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India. The Holding Company's Board of Directors are also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. Further, in terms of the provisions of the Act the respective Board of Directors of the companies included in the Group, and its joint venture company covered under the Act are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These

financial statements have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

8. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its joint venture are responsible for assessing the ability of the Group and of its joint venture to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
9. Those respective Board of Directors are also responsible for overseeing the financial reporting process of the companies included in the Group and of its joint venture.

#### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

10. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
11. As part of an audit in accordance with Standards on Auditing specified under section 143(10) of the Act we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures

that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls;

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
  - Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its joint venture to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint venture to cease to continue as a going concern;
  - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation; and
  - Obtain sufficient appropriate audit evidence regarding the financial information / financial statements of the entities or business activities within the Group and its joint venture, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the consolidated financial statements, of which we are the independent auditors.
12. Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.
13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings,

including any significant deficiencies in internal control that we identify during our audit.

14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Other Matter

16. The consolidated financial statements also include the Group's share of net loss (including other comprehensive income) of ₹ 0.51 crores for the year ended 31 March 2024, as considered in the consolidated financial statements, in respect of a joint venture, whose financial information has not been audited by us. This financial information is unaudited and have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the aforesaid joint ventures, is based solely on such unaudited financial information. In our opinion and according to the information and explanations given to us by the management, this financial information is not material to the Group.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matter with respect to our reliance on the financial information certified by the management.

#### Report on Other Legal and Regulatory Requirements

17. As required by section 143(3) of the Act, based on our audit and other financial information of the subsidiaries incorporated in India whose financial statements have been audited under the Act, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditor;
- c) The consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
- d) In our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015;
- e) On the basis of the written representations received from the directors of the Holding Company and its subsidiary companies and taken on record by the Board of Directors of the Holding Company and its subsidiary companies respectively, covered under the Act, none of the directors of the Group companies and its joint venture company, are disqualified as on 31 March 2024 from being appointed as a director in terms of section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, and its subsidiary companies covered under the Act, and the operating effectiveness of such controls, refer to our separate report in 'Annexure A' wherein we have expressed an unmodified opinion; and
- g. With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
  - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and its joint venture as detailed in Note 47A to the consolidated financial statements;
  - ii. The Holding Company, its subsidiary companies and joint venture company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2024;
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company during the year ended 31 March 2024 and there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the subsidiary companies and joint venture company covered under the Act, during the year ended 31 March 2024;
- iv.
  - a. The respective managements of the Holding Company and its subsidiary companies incorporated in India whose financial statements have been audited under the Act have represented to us that, to the best of their knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Holding Company or its subsidiary companies or its joint venture company to or in any person or entity, including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company, or any such subsidiary companies or its joint venture company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
  - b. The respective managements of the Holding Company and its subsidiary companies incorporated in India whose financial statements have been audited under the Act have represented to us that, to the best of their knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Holding Company or its subsidiary companies or its joint venture company from any person or entity, including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Holding Company, or any such subsidiary companies or its joint venture company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any

manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- c. Based on such audit procedures performed by us, as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- v. The final dividend paid by the Holding Company during the year ended 31 March 2024 in respect of such dividend declared for the previous year is in accordance with section 123 of the Act, as applicable. Further, the interim dividend declared and paid by the Holding Company during the year ended 31 March 2024 and until the date of this audit report is in compliance with section 123 of the Act. Further, as stated in note 46 to the accompanying consolidated financial statements, the Board of Directors of the Holding Company have proposed final dividend for the year ended 31 March 2024 which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act, as applicable. Further, the subsidiary companies and joint venture company have not declared or paid any dividend during the year ended 31 March 2024.
- vi. Based on our examination which included test checks, the Company and its two subsidiaries

incorporated in India have used accounting softwares for maintaining its books of account which, along with change log management, have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with.

18. As required by section 197(16) of the Act, we report that the Holding Company incorporated in India whose financial statements have been audited under the Act have paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
19. As required by clause (xxi) of paragraph 3 of Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act based on the consideration of the Order reports issued till date by us, of companies included in the consolidated financial statements and covered under the Act we report that there are no qualifications or adverse remarks reported in the respective Order reports of such companies. Further, following is the company included in the consolidated financial statements for the year ended 31 March 2024 and covered under the Act that are audited by other auditor for which the report under section 143(11) of the Act of such company has not yet been issued by the respective other auditor, as per information and explanation given to us by the management in this respect:

## Annexure A

### **Annexure A to the Independent Auditor's Report of even date to the members of Dabur India Limited on the consolidated financial statements for the year ended 31 March 2024**

#### **Independent Auditor's Report on the internal financial controls with reference to consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

##### **Opinion**

1. In conjunction with our audit of the consolidated financial statements of Dabur India Limited ('the Holding Company') and its two domestic subsidiaries (the Holding Company and its two domestic subsidiaries together referred to as 'the Group'), and its joint venture as at and for the year ended 31 March 2024, we have audited the internal financial controls with reference to financial statements of the Holding Company, and its subsidiary companies, which are companies covered under the Act, as at that date.
2. In our opinion, the Holding Company and its subsidiary companies, which are companies covered under the Act, have in all material respects, adequate internal financial controls with reference to consolidated financial statements and such controls were operating effectively as at 31 March 2024, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

#### **Responsibilities of Management and Those Charged with Governance for Internal Financial Controls**

3. The respective Board of Directors of the Holding Company and its subsidiary companies, which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets,

the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Consolidated Financial Statements**

4. The audit of internal financial controls with reference to financial statements of a joint venture, which is a company covered under the Act, and reporting under Section 143(3)(i) is exempted vide MCA notification no. G.S.R. 583(E) dated 13 June 2017 read with corrigendum dated 14 July 2017. Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies, as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.
5. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.
6. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference

to financial statements of the Holding Company and its subsidiary companies as aforesaid.

### **Meaning of Internal Financial Controls with Reference to Consolidated Financial Statements**

7. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

### **Inherent Limitations of Internal Financial Controls with Reference to Consolidated Financial Statements**

8. Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

# Material accounting policies and other explanatory information

for the year ended 31 March 2024

## 1. Group information

Dabur India Limited (the 'Holding Company') is a domestic public limited company with registered office situated at 8/3, Asaf Ali Road, New Delhi – 110002 and is listed on the BSE Limited ('BSE') and National Stock Exchange of India Limited ('NSE').

The consolidated financial statements comprise the financial statements of the Holding Company, its subsidiaries and joint venture collectively hereinafter referred to as the 'Group'. The Group is one of the leading global fast moving consumer goods (FMCG) players' dealing in consumer care and food products. It has wide network of operations in local as well as foreign markets.

## 2. General information and statement of compliance with Ind AS

These consolidated financial statements ('financial statements') of the Group have been prepared in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 ('the Act') and other relevant provisions of the Act. The Group has uniformly applied the accounting policies during the periods presented.

The financial statements are presented in Indian Rupees ('₹') which is also the functional currency of the Holding Company.

The financial statements for the year ended 31 March 2024 were authorized and approved for issue by the Board of Directors on 02 May 2024. The revision to financial statements is permitted by the Board of Directors after obtaining necessary approvals or at the instance of regulatory authorities as per provisions of the Act.

## 3. Basis of preparation

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities and share based payments which are measured at fair values as explained in relevant accounting policies.

Amount in the financial statements are presented in ₹ crores, unless otherwise stated. Certain amounts that are required to be disclosed and do not appear due to rounding-off are expressed as 0.00 crores.

## 4. Basis of consolidation

### Subsidiaries

Subsidiaries are all entities (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. The Group can have power over the investee even if it owns less than majority voting rights i.e. rights arising from other contractual arrangements. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date when control ceases. Statement of profit and loss (including other comprehensive income ('OCI')) of subsidiaries acquired or disposed off during the period are recognized from the effective date of acquisition, or up to the effective date of disposal, as applicable.

The Group combines the financial statements of the Holding Company and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses.

Intercompany transactions, balances and un-realized gains/ losses on transactions between group companies are eliminated. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests, presented as part of equity, represent the portion of a subsidiary's Statement of Profit and Loss and net assets that is not held by the Group. Consolidated Statement of Profit and Loss (including other comprehensive income ('OCI')) is attributed to the equity holders of the Holding Company and to the non-controlling interest basis the respective ownership interests and such balance is attributed even if this results in controlling interests having a deficit balance.

The Group treats transactions with non-controlling interests that do not result in a loss of control as transactions with

equity owners of the Group. Such a change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognized within equity.

### Joint venture

Interest in joint venture is accounted for using the equity method, after initially being recognized at cost. The carrying amount of the investment is adjusted thereafter for the post acquisition change in the share of net assets of the investee, adjusted where necessary to ensure consistency with the accounting policies of the Group. The Consolidated Statement of Profit and Loss (including the OCI) includes the Group's share of the results of the operations of the investee. Dividends received or receivable from joint ventures are recognized as a reduction in the carrying amount of the investment.

### 5A. Recent accounting pronouncements issued but not made effective

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended 31 March 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Group.

### 5B. Application of new or amended standards

Following amendment of Ind AS- 1, the concept of 'Significant Accounting Policies' has given way to 'Material Accounting Policies', the latter enjoins disclosure of only accounting policies in company specific context out of multiple options granted under Ind AS for such treatments. Pursuant to this the accounting policies have been divided into two parts: -

- Material Accounting Policies
- Other Accounting Policies

### 6A. Material Accounting Policies

The financial statements have been prepared using the material and other accounting policies and measurement basis summarized below:

#### a. Revenue recognition:

- ◆ Revenue from sale of products is recognised when control of products being sold is transferred

to customer and when there are no longer any unfulfilled obligations. The performance obligations in contracts are considered as fulfilled in accordance with the terms agreed with the respective customers.

Revenue is measured at fair value of the consideration received or receivable and are accounted for net of returns, rebates and trade discount. Sales, as disclosed, are exclusive of goods and services tax, where applicable.

The Group considers the terms of the contract and its customary business practices to determine the transaction price. The transaction price is the amount of consideration to which the Group expects to be entitled in exchange for transferring promised goods to a customer, excluding amounts collected on behalf of third parties (for example taxes collected on behalf of government). The consideration promised in a contract with a customer may include fixed consideration, variable consideration (if reversal is less likely in future), or both.

The transaction price is allocated by the Group to each performance obligation in an amount that depicts the amount of consideration to which it expects to be entitled in exchange for transferring the promised goods to the customer.

For each performance obligation identified, the Group determines at contract inception whether it satisfies the performance obligation over time or satisfies the performance obligation at a point in time.

When either party to a contract has performed its obligation, an entity shall present the contract in the balance sheet as a contract asset or a contract liability, depending on the relationship between the Group's performance and the customer's payment.

- ◆ Income from export incentives such as duty drawback, premium on sale of import licenses and lease license fee are recognized on accrual basis when no significant uncertainties as to the amount of consideration that would be derived and as to its ultimate collection exist.
- ◆ Rental income is recognized on a straight-line basis over the terms of the lease, except for contingent rental income which is recognized when it arises and where scheduled increase

in rent compensates the lessor for expected inflationary costs.

- ◆ Interest income is recognized using effective interest method.
- ◆ Dividend income is recognized at the time when the right to receive is established by the reporting date.
- ◆ Other incomes have been recognized on accrual basis in the financial statements, except when there is uncertainty of collection.

#### **b. Property, plant and equipment:**

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. These tangible assets are held for use in production, supply of goods or services or for administrative purposes.

- ◆ Cost comprises of purchase cost, freight, duties, taxes and other expenses directly incidental to acquisition, bringing the asset to the location and installation including site restoration up to the time when the asset is ready for intended use. Such costs also include borrowing cost if the recognition criteria are met.
- ◆ When a major inspection / repair occur, its cost is recognized in the carrying amount of the property, plant and equipment as a replacement if the recognition criteria are satisfied. Any remaining carrying amount of the cost of previous inspection / repair is derecognized. All other repair and maintenance are recognized in the Consolidated Statement of Profit and Loss as incurred.
- ◆ Depreciation on property, plant and equipment is provided over the useful lives of assets as specified in Schedule II to the Act except where the management, has estimated useful life of an asset supported by the technical assessment, external or internal i.e., higher or lower from the indicative useful life given under Schedule II. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.
- ◆ Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Description	Useful lives (upto)
Leasehold land	Over lease period
Building	60 years
Plant and machinery	15 years
Furniture and fixtures	10 years
Vehicles	8 years
Office equipment	10 years

The residual value and useful life is reviewed annually and any deviation is accounted for as a change in estimate.

- ◆ Components relevant to property, plant and equipment, where significant, are separately depreciated on straight-line basis in terms of their life span assessed by technical evaluation in item specific context.
- ◆ For new projects, all direct expenses and direct overheads (excluding services of non-exclusive nature provided by employees in Group's regular payroll) are capitalized till the assets are ready for intended use.
- ◆ During disposal of property, plant and equipment, any profit earned / loss sustained towards excess / shortfall of sale value vis-a-vis carrying cost of assets is accounted for in Consolidated Statement of Profit and Loss.

#### **c. Investment property:**

Properties held to earn rentals or / and for capital appreciation or both but not for sale in the ordinary course of business, use in the production or supply of goods or services or for administrative purposes, are categorized as investment properties. These are measured initially at cost of acquisition, including transaction costs and other direct costs attributable to bringing asset to its working condition for intended use. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. The cost shall also include borrowing cost if the recognition criteria are met. Said assets are depreciated on straight line basis based on expected life span of assets which is in accordance with Schedule II of the Act.

Significant parts of the property are depreciated separately based on their specific useful lives as follows:

Description	Useful lives (upto)
Leasehold land	Over lease period
Building	60 years

Any gain or loss on disposal of investment properties is recognized in Consolidated Statement of Profit and Loss.

Fair value of investments properties under each category are disclosed under note 7C to the financial statements. Fair values are determined based on the evaluation performed by an accredited external independent valuer applying a recognized and accepted valuation model or estimation based on available sources of information from market.

Transfers to or from the investment property is made only when there is a change in use and the same is made at the carrying amount of investment property.

#### d. Intangible assets:

- ◆ Intangible assets acquired separately are measured on initial recognition at cost of acquisition. The cost comprises of purchase price and directly attributable costs of bringing the assets to its working condition for intended use. Intangible assets arising on acquisition of business are measured at fair value as at date of acquisition. In case of internally generated assets, measured at development cost subject to satisfaction of recognition criteria (identifiability, control and future economic benefit) in accordance with Ind AS 38 'Intangible Assets'.
- ◆ A brand/ trademark acquired as part of a business combination is recognised outside goodwill, at fair value at the date of acquisition. Distribution network acquired in a business combination are recognized at fair value at the acquisition date.
- ◆ Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment loss, if any.
- ◆ Intangible Assets with finite lives are amortized on a straight-line basis over the estimated useful economic life. The amortization expense on intangible assets with finite lives is recognized in the Consolidated Statement of Profit and Loss.

- ◆ Amortization of intangible assets such as softwares is computed on a straight-line basis, at the rates representing estimated useful life of up to 5 years. The brands, trademarks and distribution network acquired as part of business combinations normally have an estimated useful life of up to 10 years.

#### e. Government subsidy / grants:

Government grant is recognized only when there is a reasonable assurance that the entity will comply with the conditions attached to them and the grants will be received.

- ◆ Subsidy related to assets is recognized as deferred income which is recognized in the Consolidated Statement of Profit and Loss on systematic basis over the useful life of the assets.
- ◆ Purchase of assets and receipts of related grants are separately disclosed in Consolidated Statement of Cash Flow.
- ◆ Grants related to income are treated as other operating income in Consolidated Statement of Profit and Loss subject to due disclosure about the nature of grant.

#### f. Impairment of financial assets:

In accordance with Ind AS 109 'Financial Instruments', the Group applies expected credit loss ('ECL') model for measurement and recognition of impairment loss for financial assets. ECL is the weighted-average of difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Group is required to consider:

- ◆ All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets; and
- ◆ Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.
- ◆ **Trade receivables:**

In respect of trade receivables, the Group applies the simplified approach of Ind AS 109 'Financial

Instruments', which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

◆ **Other financial assets:**

In respect of its other financial assets, the Group assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Group measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Group uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Group compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Group assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

**g. Taxation:**

Tax expense recognized in Consolidated Statement of Profit and Loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations of the respective jurisdictions. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity).

Current Tax for the period include Minimum Alternate Tax ('MAT') paid, credit entitlement against which is recognised as Deferred Tax Asset based on convincing evidence of applicability of

normal income tax in near future. Deferred tax so created is reviewed at each year end for necessary adjustment.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit under provisions of the Income Tax Acts of the respective jurisdictions.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized outside Consolidated Statement of Profit and Loss is recognized outside Consolidated Statement of Profit and Loss (either in other comprehensive income or in equity).

**h. Share based payments - Employee Stock Option Scheme ('ESOP'):**

Certain employees of the Group receive part of their remuneration in the form of share-based payment transactions, whereby employees render services in exchange for shares or rights over shares of the Company ('equity-settled transactions').

The fair value of options granted under Employee Stock Option Plan is recognized as an employee benefits expense with a corresponding increase in equity. The total amount to be expensed is determined by reference to the fair value of the options determined under Black-Scholes model. The total expense is recognized over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. At the end of each period, the entity revises its estimates of the number of options that are expected to vest based on the non-market vesting and service conditions. It recognizes the impact of the revision to original estimates, if any, in profit or loss, with a corresponding adjustment to equity. Upon exercise of share options, the proceeds received are allocated to share capital up to the par value of the shares issued with any excess being recorded as share premium. If the options are forfeited or not exercised after vesting date, related expenses already recognized in statement of profit and loss are not reversed but transferred to other component within equity.

## 6B. Other Accounting Policies

The financial statements have been prepared using the material and other accounting policies and measurement bases summarized below:

### a. Current / non-current classification:

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set-out in the Act. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be. The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

### b. Business combinations

- ◆ The Group applies the acquisition method in accounting for business combinations. The consideration for acquisition by the Group to obtain control of a subsidiary is calculated at the acquisition-date fair values of assets transferred, liabilities incurred and the equity interests issued by the Group. Acquisition costs are expensed as incurred.
- ◆ Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their acquisition-date fair values.
- ◆ Goodwill is measured as excess of the aggregate of the consideration transferred, the amount recognized for non-controlling interests and fair value of any previous interest held, over the fair value of the net of identifiable assets acquired and liabilities assumed. If the fair value of the net of identifiable assets acquired and liabilities assumed is in excess of the aggregate mentioned above, the resulting gain on bargain purchase is recognized in OCI and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognizes the gain directly in equity as capital reserve, without routing the same through other comprehensive income.
- ◆ Business combinations involving entities or businesses under common control have been accounted for using the pooling of interest method. The assets and liabilities of the combining entities are reflected at their carrying amounts. No adjustments have been made to reflect fair values, or to recognize any new assets or liabilities.

### c. Hyperinflation Economies

The Group applies IND AS 29 'Financial Reporting in Hyperinflationary Economies' for the subsidiaries whose functional currency is the currency of Hyperinflation economy. In determining whether the economy is under hyperinflation, both qualitative and quantitative factors are considered, including whether the cumulative inflation rate over three years is approaching, or exceeds, 100%.

The application of IND AS 29 includes:

- ◆ adjustment of historical cost non-monetary assets and liabilities for the change in purchasing power caused by inflation from the date of initial recognition to the balance sheet date;
- ◆ adjustment of revenue and expenses for inflation during the reporting period;
- ◆ adjustment in statement of profit and loss account to reflect the impact of inflation rate movement on holding non-monetary assets and liabilities (including equity) in hyperinflationary currency; and
- ◆ adjustment of inflation on goodwill in retained earnings

Further, in accordance with Ind AS 21 'The Effects of Changes in Foreign Exchange Rates', the comparative amounts in the Consolidated Financial Statements are not adjusted for subsequent changes in the price level i.e. consumer price index for the hyperinflationary economy.

### d. Capital work-in-progress and intangible assets under development:

Capital work-in-progress and intangible assets under development represents expenditure incurred in respect of capital projects / intangible assets under development and are carried at cost. Cost comprises of purchase cost, related acquisition expenses, development / construction costs, borrowing costs and other direct expenditure.

### e. Goodwill

Goodwill is an asset representing the future economic benefits arising from other assets acquired in a business combination that are not individually identified and separately recognized. Goodwill is initially measured at cost, being the excess of the consideration transferred over the net identifiable assets acquired and liabilities assumed,

measured in accordance with Ind AS 103 'Business Combinations'.

Goodwill is considered to have indefinite useful life and hence is not subject to amortization but tested for impairment annually. After initial recognition, goodwill is measured at cost less any accumulated impairment losses.

**f. Impairment of non-financial assets:**

◆ **Goodwill**

Goodwill is tested for impairment on annual basis. If on testing, any impairment exists, the carrying amount of goodwill is reduced to the extent of any impairment loss and such loss is recognized in the Consolidated Statement of Profit and Loss.

◆ **Other assets**

At each reporting date, the Group assesses whether there is any indication based on internal / external factors, that an asset may be impaired. If any such indication exists, the recoverable amount of the asset or the cash generating unit (CGU) is estimated. If such recoverable amount of the asset or CGU to which the asset belongs is less than its carrying amount. The carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognized in the Consolidated Statement of Profit and Loss.

If, at the reporting date, there is an indication that a previously assessed impairment loss no longer exists or declined, the recoverable amount is reassessed and the asset is reflected at the carrying amount that would have been determined (net of amortization or depreciation) had no impairment loss been recognized for the assets in prior years or with reduced impairment provision. Impairment losses previously recognized are accordingly reversed in the Consolidated Statement of Profit and Loss.

**g. Financial instruments:**

*Initial recognition and measurement*

Financial assets and financial liabilities are recognized when the Group becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured

initially at fair value. Subsequent measurement of financial assets and financial liabilities is described below:

**Non-derivative financial assets**

*Subsequent measurement*

◆ **Financial assets carried at amortized cost**

A financial asset is measured at the amortized cost, if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest ('SPPI') on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate ('EIR') method.

◆ **Investments in other equity instruments**

Investments in equity instruments which are held for trading are classified as at fair value through profit or loss ('FVTPL'). For all other equity instruments, the Group makes an irrevocable choice upon initial recognition, on an instrument by instrument basis, to classify the same either as at fair value through other comprehensive income ('FVTOCI') or fair value through profit or loss ('FVTPL'). Amounts presented in other comprehensive income are not subsequently transferred to profit or loss. However, the Group transfers the cumulative gain or loss within equity. Dividends on such investments are recognized in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment.

◆ **Debt instruments**

Debt instruments are initially measured at amortized cost, fair value through other comprehensive income ('FVTOCI') or fair value through profit or loss ('FVTPL') till de-recognition on the basis of:

- the entity's business model for managing the financial assets; and
- the contractual cash flow characteristics of the financial asset.

**a. Measured at amortized cost**

Financial assets that are held within a business model whose objective is to hold financial assets in order to collect contractual cash flows that are solely payments of principal and interest ('SPPI'), are subsequently measured at amortized cost using the EIR method less impairment, if any. The amortization of EIR and loss arising from impairment, if any, is recognized in the Consolidated Statement of Profit and Loss.

**b. Measured at fair value through other comprehensive income**

Financial assets that are held within a business model whose objective is achieved by both, selling financial assets and collecting contractual cash flows that are solely payments of principal and interest, are subsequently measured at fair value through other comprehensive income. Fair value movements are recognized in the other comprehensive income ('OCI'). Interest income measured using the EIR method and impairment losses, if any, are recognized in the Consolidated Statement of Profit and Loss. On de-recognition, cumulative gain or loss previously recognized in OCI is reclassified from the equity to 'other income' in the Consolidated Statement of Profit and Loss.

**c. Measured at fair value through profit or loss**

A financial asset not classified as either amortized cost or FVTOCI, is classified as FVTPL. Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognized as 'other income' in the Consolidated Statement of Profit and Loss.

**◆ Investments in mutual funds**

Investments in mutual funds are measured at FVTPL.

*De-recognition of financial assets*

A financial asset is primarily de-recognized when the contractual rights to receive cash flows from the asset have expired or the Group has

transferred its rights to receive cash flows from the asset.

**Non-derivative financial liabilities***Subsequent measurement*

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

*De-recognition of financial liabilities*

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Consolidated Statement of Profit and Loss.

**Derivative financial instruments**

The Group holds derivative financial instruments in the form of future contracts to mitigate the risk of changes in exchange rates on foreign currency exposure. The counterparty for these contracts are scheduled commercial banks / regulated brokerage firms.

Although these derivatives constitute hedges from an economic perspective, they do not qualify for hedge accounting under Ind AS 109 'Financial Instruments' and consequently are categorized as financial assets or financial liabilities at fair value through profit or loss. The resulting exchange gain or loss is included in other income / expenses and attributable transaction costs are recognized in the Consolidated Statement of Profit and Loss when incurred.

**◆ Financial guarantee contracts**

Financial guarantee contracts are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified party fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized as a financial liability at the time the

guarantee is issued at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of expected loss allowance determined as per impairment requirements of Ind AS 109 'Financial Instruments' and the amount recognized less cumulative amortization.

#### ◆ **Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the Consolidated Balance Sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

#### **h. Fair value measurement:**

The Group measures financial instruments, such as, derivatives at fair value at each Consolidated Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ◆ In the principal market for the asset or liability; or
- ◆ In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value,

maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

**Level 1** — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

**Level 2** — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

**Level 3** — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

#### **i. Leases:**

##### **Where the Group is the lessee**

##### **Right of use assets and lease liabilities**

For any new contracts entered into on or after 1 April 2019, the Group considers whether a contract is, or contains a lease. A lease is defined as 'a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration'. The Group enters into leasing arrangements for various assets. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset (ii) the Group obtains substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset.

*Recognition and initial measurement*

At lease commencement date, the Group recognizes a right-of-use asset and a lease liability on the balance sheet. The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the Group, an estimate of any costs to dismantle and remove the asset at the end of the lease (if any), and any lease payments made in advance of the lease commencement date (net of any incentives received).

*Subsequent measurement*

The Group depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Group also assesses the right-of-use asset for impairment when such indicators exist.

At lease commencement date, the Group measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available or the Group's incremental borrowing rate. Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance fixed payments) and variable payments based on an index or rate. Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is re-measured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. When the lease liability is re-measured, the corresponding adjustment is reflected in the right-of-use asset.

The Group has elected to account for short-term leases and leases of low-value assets using the practical expedients. Instead of recognizing a right-of-use asset and lease liability, the payments in relation to these are recognized as an expense in consolidated statement of profit and loss on a straight-line basis over the lease term.

**Where the Group is the lessor**

Leases in which the Group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognized on a straight-line basis or another systematic basis as per the terms of the relevant lease. Initial direct costs

incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized over the lease term on the same basis as rental income. Contingent rents are recognized as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Group to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Group's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

**j. Inventories:**

Inventories are valued at the lower of cost or net realizable value. Cost includes purchase price, duties, transport, handling costs and other costs directly attributable to the acquisition and bringing the inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

The basis of determination of cost is as follows:

- ◆ Raw material, packing material and stock-in-trade valued on moving weighted average basis;
- ◆ Stores and spares valued on weighted average basis;
- ◆ Work-in-progress valued at cost of input valued at moving weighted average basis plus overheads up till the stage of completion; and
- ◆ Finished goods valued at cost of input valued at moving weighted average basis plus appropriate overheads.

**k. Employee benefits:**

Liabilities in respect of employee benefits to employees are provided for as follows:

- ◆ **Current employee benefits**

- a. Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end

of the reporting period and are measured at the amounts expected to be incurred when the liabilities are settled. The liabilities are presented as current employee dues payable in the Consolidated Balance Sheet.

- b. Employees' State Insurance ('ESI') is provided on the basis of actual liability accrued and paid to authorities.
- c. The Group has adopted a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using projected unit credit method on the additional amount expected to be paid / availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non-accumulating compensated absences is recognized in the period in which the absences occur.
- d. Expense in respect of other short-term benefits is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

#### ◆ **Post separation employee benefit plan**

##### **a. Defined benefit plan**

- Post separation benefits of Directors are accounted for on the basis of actuarial valuation as per Ind AS 19 'Employee Benefits'.
- Gratuity liability accounted for on the basis of actuarial valuation as per Ind AS 19 'Employee Benefits'. Liability recognized in the Consolidated Balance Sheet in respect of gratuity is the present value of the defined benefit obligation at the end of each reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by an independent actuary using the projected unit credit method. The present value of defined benefit is determined by discounting the estimated future cash outflows by reference to market yield at the end of each reporting

period on government bonds that have terms approximate to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Consolidated Statement of Profit and Loss.

- Group contributes its share of contribution to Employees' Provident Fund Scheme administered by a separate trust with its obligation to make good the shortfall, if any, in trust fund arising on account of difference between the return on investments of the trust and the interest rate on provident fund dues notified periodically by the Central Government and any expected loss in investment. Liability recognized in the Consolidated Balance Sheet in respect of Dabur India E.P.F. trust is the present value of the defined benefit obligation at the end of each reporting period less the fair value of plan assets on the basis of actuarial valuation using the projected unit credit method.
- Actuarial gain / loss pertaining to gratuity and post separation benefits are accounted for as OCI. All remaining components of costs are accounted for in Consolidated Statement of Profit and Loss.

##### **b. Defined contribution plans**

Liability for superannuation fund is provided on the basis of the premium paid to insurance company in respect of employees covered under Superannuation Fund Policy.

#### **I. Provisions, contingent liability and contingent assets:**

- ◆ Provisions are recognized only when there is a present obligation, as a result of past events and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

◆ Contingent liability is disclosed for:

- a. Possible obligations which will be confirmed only by future events not wholly within the control of the Group; or
- b. Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

◆ Contingent assets are neither recognized nor disclosed except when realization of income is virtually certain, related asset is recognized.

**m. Foreign currency translation:**

Foreign currency transactions are recorded in the functional currency, by applying the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Foreign currency monetary items outstanding at the balance sheet date are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transactions.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the Consolidated Statement of Profit and Loss in the year in which they arise.

Functional and reporting currencies of foreign operations are different from the reporting currency of the Holding Company. For all the foreign operations of the Group, all assets and liabilities (excluding equity share capital and opening reserves and surplus) are translated into Indian Rupees ('₹') using the exchange rate prevailing at the reporting date. Equity share capital, reserves and surplus are carried at historical cost. Revenues, costs and expenses are translated using the weighted-average exchange rate during the reporting period. The resultant currency translation difference is recognized as foreign currency translation reserve under the head 'other equity'.

**n. Operating segments:**

Operating segments are reported in a manner consistent with the internal reporting provided to

the Chief Operating Decision Maker ('CODM') of the Group. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Group.

**o. Earnings per share:**

Basic earnings per share are calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit for the period attributed to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all potentially dilutive equity shares.

**p. Research and development:**

Expenditure on research is recognized as an expense when it is incurred. Expenditure on development which does not meet the criteria for recognition as an intangible asset is recognized as an expense when it is incurred.

Items of property, plant and equipment and acquired intangible assets utilized for research and development are capitalized and depreciated / amortized in accordance with the policies stated for Property, Plant and Equipment and Intangible Assets.

**q. Borrowing cost:**

Borrowing cost consists of interest and other costs incurred in connection with the borrowing of funds and also include exchange differences to the extent regarded as an adjustment to the same. Borrowing costs directly attributable to the acquisition and/or construction of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to the Consolidated Statement of Profit and Loss as incurred.

**r. Cash and cash equivalents:**

For the purpose of the Consolidated Statement of Cash Flows, cash and cash equivalents consist of cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short-term highly liquid investments net of outstanding bank overdrafts

and cash credit facilities as they are considered an integral part of the Group's cash management.

**s. Assets held for sale**

The Group classifies assets as held for sale if their carrying amounts will be recovered principally through a sale rather than through continuing use of the assets and actions required to complete such sale indicate that it is unlikely that significant changes to the plan to sell will be made or that the decision to sell will be withdrawn. Also, such assets are classified as held for sale, if the management expects to complete the sale within one year from the date of classification.

Assets classified as held for sale are measured at the lower of their carrying amount and the fair value less cost to sell.

**6C. Significant management judgement in applying material and other accounting policies and estimation uncertainty:**

The preparation of the Group's financial statements requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities.

■ **Evaluation of indicators for impairment of assets**

The evaluation of applicability of indicators of impairment of assets requires, the management to make an assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

■ **Leases**

The Group enters into leasing arrangements for various premises. The assessment (including measurement) of the lease is based on several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to extend/terminate etc. After the commencement date, the Group reassesses the lease term if there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to extend or to terminate.

■ **Recoverability of advances / receivables**

At each balance sheet date, based on historical default rates observed over expected life, the

management assesses the expected credit losses on outstanding receivables and advances.

■ **Defined benefit obligation ('DBO')**

Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

■ **Provisions**

At each balance sheet date, basis the management judgment, changes in facts and legal aspects, the Group assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

■ **Contingencies**

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Group, refer note 47A. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgments and the use of estimates regarding the outcome of future events.

■ **Fair value measurements**

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and share based payments. This involves developing estimates and assumptions consistent with how market participants would price the instrument. The Group engages third party valuers, where required, to perform the valuation. Information about the valuation techniques and inputs used in determining the fair value of various assets, liabilities and share based payments are disclosed in the notes to consolidated financial statements.

■ **Inventories**

The Group estimates the net realizable values of inventories, taking into account the most reliable evidence available at each reporting date. The future realization of these inventories may be affected by future demand or other market-driven changes that may reduce future selling prices.

#### ■ Useful lives of depreciable / amortizable assets

Management reviews its estimate of the useful lives of depreciable / amortizable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

#### ■ Valuation of investment property

Investment property is stated at cost. However, as per Ind AS 40 'Investment Property', there is a requirement to disclose fair value as at the balance sheet date. The Group engaged independent valuation specialists to determine the fair value of its investment property as at reporting date.

#### ■ Business combinations and intangible assets

The Holding Company uses valuation techniques when determining the fair values of certain assets and liabilities acquired in a business combination. In particular, the fair value of contingent consideration is dependent on the outcome of many variables including the acquirees' future profitability. These valuations are conducted by independent valuation experts.

#### ■ Income taxes

Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions. The extent to which deferred tax assets/ minimum alternate tax credit can be recognized is based on management's assessment of the probability of the future taxable income against which the deferred tax assets/minimum alternate tax credit can be utilized.

#### ■ Recognition of deferred tax liability on undistributed profits

The extent to which the Holding Company can control the timing of reversal of deferred tax liability on undistributed profits of its subsidiaries requires judgement.

#### ■ Impairment of Goodwill

Impairment testing for goodwill and intangible assets with indefinite life is done at least once annually and upon occurrence of an indication of impairment. The growth rates and the margins used to make estimation of future performance are based on past performance and our estimates of future growths and margin achievable in the CGUs. Pre-tax discount rates reflect specific risks relating to the relevant segments and geographies in which the CGUs operate.

## 7A. PROPERTY, PLANT AND EQUIPMENT

The changes in the carrying value of property, plant and equipment for the year ended 31 March 2023 and 31 March 2024 are as follows :

(All amounts in ₹ crores, unless otherwise stated)

Description	Leased assets			Owned assets					Grand total	
	Leasehold land	Right of use - buildings	Total	Freehold land	Buildings	Plant and equipment	Furniture and fixtures	Vehicles	Office equipment	Total

Addition for the year	-	1.12	1.12
Transfer to assets held for sale	-	(0.45)	(0.45)
Foreign currency translation difference	-	(0.58)	(0.58)
<b>Balance as at 31 March 2023</b>	<b>-</b>	<b>13.33</b>	<b>13.33</b>
Addition for the year	-	1.09	1.09
Foreign currency translation difference	-	(0.40)	(0.40)
<b>Balance as at 31 March 2024</b>	<b>-</b>	<b>14.02</b>	<b>14.02</b>
<b>Net block as at 31 March 2023</b>	<b>5.21</b>	<b>41.84</b>	<b>47.05</b>
<b>Net block as at 31 March 2024</b>	<b>5.16</b>	<b>40.29</b>	<b>45.45</b>

**Notes:**

a) Amount recognized in Consolidated Statement of Profit and Loss for investment properties:

Particulars	For the year ended 31 March 2024	For the year ended 31 March 2023
Rental income derived from investment properties (refer note 35)	<b>12.25</b>	10.40
Less: direct operating expenses that generated rental income	<b>1.53</b>	0.21
<b>Profit from leasing of investment properties before depreciation</b>	<b>10.72</b>	<b>10.19</b>
Less: depreciation expense	<b>1.09</b>	1.12
<b>Profit from leasing of investment properties after depreciation</b>	<b>9.63</b>	<b>9.07</b>

b) As at 31 March 2024, the fair value of investment properties are ₹ 111.74 crores (31 March 2023: ₹ 106.00 crores). These valuations are based on the valuations performed by a registered valuer as defined under rule 2 of Companies (Registered Valuers and Valuation) Rules, 2017. Fair value is based on market value approach. There has been no restriction on disposal of property or remittance of income and proceeds of disposal.

c) Leasing arrangements : Certain investment properties are leased to tenants under long-term operating leases with rentals payable monthly. Refer note 49 for details on future minimum lease rentals.

**7D. GOODWILL**

The changes in the carrying value of goodwill for the year ended 31 March 2023 and 31 March 2024 are as follows :

Description	Goodwill
<b>Balance as at 31 March 2022</b>	<b>251.15</b>
Additions pursuant to business combination	154.21
Foreign currency translation difference	(0.11)
<b>Balance as at 31 March 2023</b>	<b>405.25</b>
Foreign currency translation difference	(0.13)
<b>Balance as at 31 March 2024</b>	<b>405.12</b>

**Notes:****i) Allocation of Goodwill to reportable segments:**

The Group has identified consumer care business, foods and others as its reportable segments. The goodwill amounting to ₹ 405.12 crores (31 March 2023: ₹ 405.25 crores) acquired through business combination has been allocated to 'Consumer Care Business' segment and 'Food' segment of the Group.

**ii) Allocation of goodwill to cash generating units (CGU):**

Goodwill has been allocated to the following CGUs for impairment testing purpose with carrying amount of goodwill being significant in comparison with the entity's total carrying amount of goodwill with indefinite useful lives :

Particulars	31 March 2024	31 March 2023
Hobi Kozmetik and RA Pazarlama CGU ('Hobi Group')	<b>55.90</b>	55.90
Namaste Group CGU	<b>173.39</b>	173.39
Badshah Masala CGU	<b>154.21</b>	154.21
<b>Total</b>	<b>383.50</b>	<b>383.50</b>

The recoverable amount of the above mentioned Groups, for impairment testing is determined based on value-in-use calculations which uses cash flow projections based on financial budgets approved by management covering a five-

year period, as the Group believes this to be the most appropriate timescale for reviewing and considering annual performance before applying a fixed terminal value multiple to the final cash flows. Cash flows beyond the five-year period were extrapolated using estimate rates stated below.

**iii) Key assumptions used for value in use calculations are as follows: \*#**

**a) Hobi Kozmetik and RA Pazarlama CGU**

The Group prepares its cash flow forecasts based on the most recent financial budgets approved by management with projected average revenue growth rate ranging from 20% to 52% (31 March 2023: 16% to 23%) for the five-year period. The growth rate used for extrapolation of cash flows beyond the five-year period covered by the forecast is 2% (31 March 2023: 2%). The rate used to discount the forecasted cash flows ranges from 25% to 28% (31 March 2023: 20% to 25%).

**b) Namaste CGU**

The Group prepares its cash flow forecasts based on the most recent financial budgets approved by management with projected average revenue growth rate ranging from 8% to 9% (31 March 2023: 8% to 10%) for the five-year period. The growth rate used for extrapolation of cash flows beyond the five-year period covered by the forecast is 1.5% (31 March 2023: 1.5%). The rate used to discount the forecasted cash flows ranging from 8% to 10% (31 March 2023: 9% to 11%).

**c) Badshah Masala CGU**

The Group prepares its cash flow forecasts based on the most recent financial budgets approved by management with projected average revenue growth rate ranging from 15% to 22% (31 March 2023: 10% to 20%) for the five-year period. The growth rate used for extrapolation of cash flows beyond the five-year period covered by the forecast is 4% (31 March 2023: 4%). The rate used to discount the forecasted cash flows ranging from 10% to 14% (31 March 2023: 11% to 15%).

\* **Discount rates** - Management estimates discount rates that reflect current market assessments of the risks specific to the CGU, taking into consideration the time value of money and individual risks of the underlying assets that have not been incorporated in the cash flow estimates. The discount rate calculation is based on the specific circumstances of the Group and its operating segments and is derived from its weighted average cost of capital (WACC).

# **Growth rates** - The growth rates are based on industry growth forecasts. Management determines the budgeted growth rates based on past performance and its expectations on market development. The weighted average growth rates used were consistent with industry reports.

**7E. OTHER INTANGIBLE ASSETS:**

The changes in the carrying value of intangible asset for the year ended 31 March 2023 and 31 March 2024 are as follows:

Description	Brands / Trademarks/ Distribution Network	Computer software	Total
<b>Gross block</b>			
<b>Balance as at 01 April 2022</b>	<b>40.25</b>	<b>86.83</b>	<b>127.08</b>

<b>Total</b>	<b>9,689.10</b>	<b>8,796.08</b>

**Description of nature and purpose of each reserve****Capital reserve**

Capital reserve represents the difference between value of the net assets transferred to the Group in the course of business combinations and the consideration paid for such combinations.

**Securities premium**

Securities premium is used to record the premium on issue of shares, which will be utilised in accordance with provisions of the Act.

**Statutory reserve and special fund**

This represents the statutory reserves required under Turkish Commercial Law and respective subsidiary's corporation charter. These reserves have been transferred from subsidiaries in Turkey at the point of their acquisition by the Group.

**Employee housing reserve**

This reserve pertains to Dabur Nepal Private Limited, a wholly owned subsidiary of the Holding Company and is created by way of appropriation of retained earnings for building residential quarters for workers as required under labour laws of Nepal and the reserve is not distributable.

**Share option outstanding account**

The reserve is used to recognize the grant date fair value of options issued to employees under employee stock option schemes and is adjusted on exercise/ forfeiture of options.

**General reserve**

General reserve is created from time to time by way of transfer of profits from retained earnings for appropriation purposes. General reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income.

**Retained earnings**

Retained earnings are created from the profit / loss of the Group, as adjusted for distributions to owners, transfers to other reserves, etc. It also includes impact of hyperinflation.

**Foreign currency translation reserve**

Exchange differences relating to the translation of the results and net assets of the Group's foreign operations from their functional currencies to the Group's presentation currency (i.e. ₹) are recognised directly in the other comprehensive income and accumulated in foreign currency translation reserve. Exchange difference previously accumulated in the foreign currency translation reserve are reclassified to Consolidated Statement of Profit and Loss on the disposal of the foreign operation.

**Debt instruments through other comprehensive income**

This represents the cumulative gains and losses arising on the revaluation of debt instruments measured at fair value through other comprehensive income that have been recognized in other comprehensive income, net of amounts reclassified to profit or loss when such assets are disposed off and impairment losses on such instruments, if any.

**B Disaggregation of revenue**

Set out below is the disaggregation of the Company's revenue from contracts with customers:

**Revenue from contracts with customers**

<b>i) Revenue from operations @</b>		
(a) Consumer care business	<b>9,842.72</b>	9,202.25
(b) Food business	<b>2,178.59</b>	1,980.91
(c) Retail business	<b>116.97</b>	105.82
(d) Other segments	<b>123.37</b>	137.53
<b>Operating revenue</b>	<b>12,261.65</b>	<b>11,426.51</b>
<b>ii) Other operating income (scrap sales)</b>	<b>28.05</b>	29.45
<b>Total revenue covered under Ind AS 115</b>	<b>12,289.70</b>	<b>11,455.96</b>

@ The Group has disaggregated the revenue from contracts with customers on the basis of nature of products into consumer care business, food business, retail business and other segments (refer note 51). The Group believes that the disaggregation of revenue on the basis of nature of products have no impact on the nature, amount, timing and uncertainty of revenue and cash flows.

**C Contract balances**

The following table provides information about receivables and contract liabilities from contract with customers:

<b>Contract liabilities</b>		
Advance from customers (refer note 31)	<b>32.79</b>	8.85
<b>Total</b>	<b>32.79</b>	<b>8.85</b>
<b>Receivables</b>		
Trade receivables	<b>934.07</b>	876.03
<b>Less : Allowances for expected credit loss</b>	<b>(35.35)</b>	(27.28)
<b>Net receivables</b>	<b>898.72</b>	<b>848.75</b>

Contract asset is the right to consideration in exchange for goods or services transferred to the customer. Contract liability is the Group's obligation to transfer goods or services to a customer for which the Group has received consideration from the customer in advance.

**D Significant changes in the contract liabilities balances during the year are as follows:**

Particulars	31 March 2024	31 March 2023
<b>Opening balance</b>	<b>8.85</b>	36.64
Addition during the year	<b>32.79</b>	8.85
Revenue recognised during the year	<b>8.85</b>	36.64
<b>Closing balance</b>	<b>32.79</b>	<b>8.85</b>

**35. OTHER INCOME**

<b>Interest income</b>		
Investment in debt instruments measured at FVTOCI	<b>267.93</b>	268.32
Other financial assets carried at amortised cost	<b>125.17</b>	92.81
<b>Other non-operating income</b>

<b>Proposed Dividend</b>		
Proposed final dividend for the financial year 2023-24 [ ₹ 2.75 per equity share of ₹ 1.00 each] ^	<b>487.31</b>	-
Proposed final dividend for the financial year 2022-23 [ ₹ 2.70 per equity share of ₹ 1.00 each] #	-	478.38
<b>Total</b>	<b>487.31</b>	<b>478.38</b>
<b>Paid Dividend</b>		
Final dividend for the financial year 2022-23 [ ₹ 2.70 per equity share of ₹ 1.00 each]	<b>478.45</b>	-
Interim dividend for the financial year 2023-24 [ ₹ 2.75 per equity share of ₹ 1.00 each]	<b>487.31</b>	-
Final dividend for the financial year 2021-22 [ ₹ 2.70 per equity share of ₹ 1.00 each]	-	478.37
Interim dividend for the financial year 2022-23 [ ₹ 2.50 per equity share of ₹ 1.00 each]	-	442.94
<b>Total</b>	<b>965.76</b>	<b>921.31</b>

^ The Board of Directors at its meeting held on 02 May 2024 have recommended final dividend of ₹ 2.75 per equity share with face value of ₹ 1.00 each for the financial year ended 31 March 2024, which amounts to ₹ 487.31 crores. The above is subject to approval at the ensuing Annual General Meeting of the Company and hence is not recognised as a liability.

# Paid to shareholders during the financial year 2023-24.

**47. CONTINGENT LIABILITIES AND COMMITMENTS****A Contingent liabilities not provided for**

Claims against the Company not acknowledged as debt #		
Claims by employees	<b>1.20</b>	1.11
Excise duty / service tax matters / stamp duty matters (refer note 48)	<b>59.99</b>	74.36
Sales tax matters (refer note 48)	<b>85.06</b>	95.45
Income tax matters *	<b>158.75</b>	94.77
Others	<b>24.84</b>	19.22
<b>Total</b>	<b>329.84</b>	<b>284.91</b>

#Based on discussions with the solicitors / favourable decisions in similar cases / legal opinions taken by the Group, the management believes that the Group has a good chance of success in above-mentioned cases and hence, no provision is considered necessary.

\*In the event of any unfavourable outcome in respect to such litigations, that liability would be settled against unused minimum alternate tax credits which have not been recognized as an asset in the books of accounts as been explained in note 26.2.

Pursuant to judgement by the Hon'ble Supreme Court of India dated 28 February 2019, it was held that basic wages, for the purpose of provident fund, should include certain allowances which are common for all employees. However, there is uncertainty with respect to the applicability of the judgement and period from which the same applies and accordingly, the Group has not provided for any liability on account of this.

**B Commitments**

Estimated amount of contracts remaining to be executed on capital account and not provided for (net of capital advances of ₹ 09.48 crores (31 March 2023: ₹ 20.86 crores)	<b>263.60</b>	236.82
<b>Total</b>	<b>263.60</b>	<b>236.82</b>

#### 48. DISCLOSURE RELATING TO PROVISIONS RECORDED IN THE CONSOLIDATED FINANCIAL STATEMENTS PURSUANT TO THE IND AS 37 - PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Particulars	Provision for sales tax*/entry tax**		Provision for excise / service tax / stamp duty#		Provision for others		Total	
	31 March 2024	31 March 2023	31 March 2024	31 March 2023	31 March 2024	31 March 2023	31 March 2024	31 March 2023
<b>Opening balance</b>	<b>45.11</b>	<b>41.61</b>	<b>72.82</b>	<b>64.32</b>	<b>19.77</b>	<b>19.15</b>	<b>137.70</b>	<b>125.08</b>
Additions	<b>4.50</b>	3.50	<b>10.50</b>	8.50	-	0.62	<b>15.00</b>	12.62
Utilisations / adjustments##	-	-	-	-	<b>(0.91)</b>	-	<b>(0.91)</b>	-
<b>Closing balance</b>	<b>49.61</b>	<b>45.11</b>	<b>83.32</b>	<b>72.82</b>	<b>18.86</b>	<b>19.77</b>	<b>151.79</b>	<b>137.70</b>

\*Sales tax provisions made towards classification matters and towards rate differences matters at various levels including assessing authority / revisional board / commissioner's level / Appellate Tribunal and at Hon'ble High Courts.

\*\*Entry tax provisions made towards tax difference matters at Orissa at various levels including assessing authority / commissioner's level / Appellate Tribunal and at Hon'ble High Court.

#Excise provisions made towards excise classification matters pending at various levels including Commissioner, Appellate Tribunal and Hon'ble High Court. Further, provision made towards stamp duty cases pending at Hon'ble High Court.

##The utilisations pertains to cases settled during the year against the Group, accordingly the Group deposited amount against aforementioned provision. Adjustments represents amounts reclassified from 'provision of excise / service tax / stamp duty' to 'provision of sales tax / entry tax'.

##### Notes:

- These provisions represent estimates made mainly for probable claims arising out of litigations / disputes pending with authorities under various statutes (Excise duty, Service tax, Sales tax, Entry tax). The probability and the timing of the outflow with regard to these matters depend on the final outcome of the litigations / disputes. Hence, the Group is not able to reasonably ascertain the timing of the outflow.
- Discounting obligation has been ignored considering that these disputes relate to Government Authorities.

#### 49. INFORMATION ON LEASE TRANSACTIONS PURSUANT TO IND AS 116 - LEASES

##### A Assets taken on lease \*

The Group has leases for office building, warehouses, stores and related facilities and cars. With the exception of short-term leases and leases of low-value underlying assets, each lease is reflected on the balance sheet as a right-of-use asset and a lease liability. Variable lease payments which do not depend on an index or a rate are excluded from the initial measurement of the lease liability and right of use assets. The Group currently classifies its right-of-use assets in a consistent manner in leased buildings under property, plant and equipment.

Each lease generally imposes a restriction that, unless there is a contractual right for the Group to sublease the asset to another party, the right-of-use asset can only be used by the Group. Some leases contain an option to extend the lease for a further term. The Group is prohibited from selling or pledging the underlying leased assets as security. For leases over office buildings, stores and other premises the Group must keep those properties in a good state of repair and return the properties in their original condition at the end of the lease. Further, the Group is required to pay maintenance fees in accordance with the lease contracts.

## i) Lease payments not included in measurement of lease liability

The expense relating to payments not included in the measurement of the lease liability is as follows:

Particulars	31 March 2024	31 March 2023
Short-term leases	<b>20.83</b>	22.85
Leases of low value assets	<b>2.80</b>	3.38
Variable lease payments	<b>0.65</b>	0.45
<b>Total</b>	<b>24.28</b>	<b>26.68</b>

## ii) Total cash outflow for leases for the year ended 31 March 2024 was ₹ 66.08 crores (31 March 2023 : ₹ 62.78 crores)

## iii) Maturity of lease liabilities

The lease liabilities are secured by the related assets. Future minimum lease payments as on 31 March 2024 are as follows:

Particulars	Lease payments	Interest expense	Net Present Values
Not later than 1 year	50.30	13.55	36.75
Later than 1 year not later than 5 years	125.61	28.34	97.27
Later than 5 years	103.41	30.41	73.00
<b>Total</b>	<b>279.32</b>	<b>72.30</b>	<b>207.02</b>

The lease liabilities are secured by the related assets. Future minimum lease payments as on 31 March 2023 are as follows:

Particulars	Lease payments	Interest expense	Net Present Values
Not later than 1 year	41.76	11.35	30.41
Later than 1 year not later than 5 years	110.97	24.62	86.35
Later than 5 years	87.26	29.25	58.01
<b>Total</b>	<b>239.99</b>	<b>65.22</b>	<b>174.77</b>

## iv) Information about extension and termination options as on 31 March 2024:

Right of use assets	Office premises	Warehouse and related facilities
Number of leases	7	105
Range of remaining term (in years)	2-9	0.25-13.33
Average remaining lease term (in years)	3.76	7.39
Number of leases with extension option	6	38
Number of leases with termination option	3	93

Information about extension and termination options as on 31 March 2023:

Right of use assets	Office premises	Warehouse and related facilities
Number of leases	8	96
Range of remaining term (in years)	3-9	0.25-13.33
Average remaining lease term (in years)	3.76	4.73
Number of leases with extension option	7	34
Number of leases with termination option	4	91

**Note:**

\* Lease rent debited to the Consolidated Statement of Profit and Loss is ₹ 58.34 crores (31 March 2023 : ₹ 60.86 crores) including rent reimbursements of ₹ 34.06 crores ( 31 March 2023: ₹ 31.81 crores).

**B Assets given on operating lease #**

The Group has given buildings under non-cancellable operating leases expiring within period not exceeding five years. The leases have varying terms, escalation clauses and renewal rights. On renewal, the terms of the leases are renegotiated. The contractual future minimum lease related receivables in respect of these leases are:

Particulars	31 March 2024	31 March 2023
Not later than 1 year	3.98	8.66
Later than 1 year not later than 5 year	-	3.93
<b>Total</b>	<b>3.98</b>	<b>12.59</b>

# Lease rent credited to the Consolidated Statement of Profit and Loss of the current year is ₹ 12.25 crores (31 March 2023 : ₹ 10.40 crores)

**50. RECONCILIATION OF LIABILITIES ARISING FROM FINANCING ACTIVITIES PURSUANT TO IND AS 7 - CASH FLOWS**

The changes in the Group's liabilities arising from financing activities can be classified as follows:

Particulars	Non-current borrowings	Current borrowings	Lease liabilities	Total
<b>Net debt as at 01 April 2022</b>	<b>250.36</b>	<b>617.29</b>	<b>162.45</b>	<b>1,030.10</b>

Other	0.12	-	-	<b>0.12</b>
<b>Net debt as at 31 March 2024</b>	<b>535.97</b>	<b>622.10</b>	<b>207.02</b>	<b>1,365.09</b>

## 51. INFORMATION ON SEGMENT REPORTING PURSUANT TO IND AS 108 - OPERATING SEGMENTS

### Operating segments:

Consumer care business	Home care, personal care and health care
Food business	Juices, beverages, culinary and spices
Retail business	Retail stores
Other segments	Guar gum, pharma and others

### Identification of segments:

The chief operational decision maker monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit and loss of the segment and is measured consistently with profit or loss in the financial statements. Operating segments have been identified on the basis of the nature of products.

### Segment revenue and results

The expenses and income which are not directly attributable to any business segment are shown as unallocable expenditure (net of unallocable income).

### Segment assets and liabilities:

Assets used by the operating segment mainly consist of property, plant and equipment, trade receivables, cash and cash equivalents and inventories. Segment liabilities include trade payables and other liabilities. Common assets and liabilities which cannot be allocated to any of the segments are shown as a part of unallocable assets / liabilities.

The measurement principles of segments are consistent with those used in preparation of these financial assets. There are no inter-segment transfers.

#### E Contingent liabilities and commitments in respect of joint venture

The amount of contingent liability is ₹ Nil crores as on 31 March 2024 (31 March 2023 : ₹ Nil crores)

##the financial statements of the joint venture for the year ended 31 March 2024 are unaudited and the above disclosures have been extracted from management certified accounts

### 56. DISCLOSURE RELATING TO EMPLOYEE BENEFITS PURSUANT TO IND AS 19 - EMPLOYEE BENEFITS

#### (a) Defined contribution plans

- ◆ Amount of ₹ 3.23 crores (31 March 2023 : ₹ 3.23 crores) related to contribution to Employees Superannuation Fund is recognised as an expense and is included in employee benefit expense in the Consolidated Statement of Profit and Loss.
- ◆ Amount of ₹ 0.01 crores (31 March 2023 : ₹ 0.02 crores) related to Employees State Insurance is recognised as an expense and is included in employee benefit expense in the Consolidated Statement of Profit and Loss.
- ◆ Amount of ₹ 1.49 crores (31 March 2023 : ₹ 1.40 crores) related to Gratuity of a foreign subsidiary is recognised as an expense / (income) and is included in employee benefit expense in the Consolidated Statement of Profit and Loss.

#### (b) Defined benefit plans

##### Gratuity (Funded)

The Group provides for gratuity, a defined benefit retirement plan covering eligible employees. The gratuity plan provides a lump sum payments to vested employees at retirement, death, incapacitation or termination of employment. The Group provides for gratuity, based on actuarial valuation as of the balance sheet date, based upon which, the Group contributes all the ascertained liabilities to the "Dabur Employee's Gratuity Trust".

##### Post separation benefit of directors

Post separation benefit of directors includes car, telephone, medical and housing facility for eligible directors.

##### Description of risk exposures:

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such Group is exposed to various risks as follows:

**(a) Salary increases** - Actual salary increases will increase the plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.

**(b) Investment risk** - If plan is funded then assets / liabilities mismatch and actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.

**(c) Discount rate** - Reduction in discount rate in subsequent valuations can increase the plan's liability.

**(d) Mortality and disability** - Actual deaths and disability cases proving lower or higher than assumed in the valuation can impact the liabilities.

**(e) Withdrawals** - Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact plan's liability.

The following tables summarises the components of net benefit expense recognized in the Consolidated Statement of Profit and Loss and the funded status and amounts recognized in the Consolidated Balance Sheet:

Particulars	Gratuity		Post separation benefit of Directors

## 57. DISCLOSURES REQUIRED PURSUANT TO IND AS 102 - SHARE BASED PAYMENT

Under Employee Stock Option Scheme (ESOP) of the Group, share options of the Holding Company are granted to the senior executives subject to achievement of targets as defined in ongoing vision of the Group. Vesting period ranges from 1 to 5 years. Each option carries the right to the holder to apply for one equity share of the Holding Company at par. There has been no variation in the terms of options during the year. The share options are valued at the fair value of the options as on the date of grant using Black Scholes pricing model. There is no cash settlement alternative.

**A** The following table illustrates the number and weighted average exercise prices of, and movements in, share options during the year:

Particulars	Weighted Average Price (₹)	Number of options
<b>Outstanding as at 01 April 2022</b>	<b>1.00</b>	<b>85,67,882</b>
Options granted during the year	1.00	47,99,325
Options forfeited/lapsed/expired during the year	1.00	52,49,420
Options exercised during the year*	1.00	39,06,981
<b>Options outstanding as at 31 March 2023 #</b>	<b>1.00</b>	<b>42,10,806</b>
Exercisable at the end of the year	1.00	42,10,806
<b>Outstanding as at 01 April 2023</b>	<b>1.00</b>	<b>42,10,806</b>

Particulars	Weighted Average Price (₹)	Number of options
Options granted during the year	1.00	1,89,401
Options forfeited/lapsed/expired during the year	1.00	2,38,863
Options exercised during the year*	1.00	2,75,698
<b>Options outstanding as at 31 March 2024 #</b>	<b>1.00</b>	<b>38,85,646</b>
Exercisable at the end of the year	1.00	38,85,646

\* 2,75,698 (31 March 2023 : 39,06,981) share options were exercised on a regular basis throughout the year. The weighted average share price during the year was ₹ 1.00 (31 March 2023 : ₹ 1.00).

# The options outstanding as at 31 March 2024 are with the exercise price of ₹ 1.00 (31 March 2023 : ₹ 1.00). The weighted average of the remaining contractual life is 2.17 years (31 March 2023 : 3.18 years).

**B** Fair value of the options has been calculated using Black Scholes Pricing Model. The following inputs were used to determine the fair value for options granted during the year ended 31 March 2024.

The measure of volatility used is the annualized standard deviation of the continuously compounded rates of return of stock over the expected lives of different vests, prior to grant date. Volatility has been calculated based on the daily closing market price of the Holding Company's stock on NSE over these years.

## 58. CAPITAL MANAGEMENT - POLICIES AND PROCEDURES

For the purpose of the Group's capital management, capital includes issued equity share capital, security premium and all other equity reserves attributable to the equity share holders of the Holding Company.

The Group's capital management objectives are:

- to ensure the Group's ability to continue as a going concern
- to provide an adequate return to shareholders

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Group monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Group includes within net debt, interest bearing loans and borrowings, other payables, less cash and cash equivalents, excluding discontinued operations, if any.

Particulars	31 March 2024	31 March 2023
Current borrowings (refer note 27)	<b>622.10</b>	700.18
Non-current borrowings (refer note 22)	<b>535.97</b>	298.84
Other financial liabilities (refer note 24 and 30)	<b>318.19</b>	284.79
Lease liabilities (refer note 23 and 28)	<b>207.02</b>	174.77
<b>Less: Cash and cash equivalents (refer note 15)</b>	<b>(247.60)</b>	(146.82)
<b>Net debt</b>	<b>1,435.68</b>	<b>1,311.76</b>
Equity share capital (refer note 20)	<b>177.20</b>	177.18
Other equity (refer note 21)	<b>9,689.10</b>	8,796.08
<b>Total capital</b>	<b>9,866.30</b>	<b>8,973.26</b>
<b>Capital and net debt</b>	<b>11,301.98</b>	<b>10,285.02</b>
<b>Gearing ratio</b>	<b>12.70%</b>	<b>12.75%</b>

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2024 and 31 March 2023.

## 59. FINANCIAL RISK MANAGEMENT - OBJECTIVES AND POLICIES

The Group's financial liabilities comprise mainly of borrowings, trade payables and other payables. The Group's financial assets comprise mainly of investments, loans, trade receivables, cash and cash equivalents, other balances with banks and other receivables.

The Group's financial risk management is an integral part of how to plan and execute its business strategies.

The Group's activities expose it to market risk, interest rate risk and foreign currency risk. The Board of Directors ('Board') oversee the management of these financial risks through its Risk Management Committee. The Risk Management Policy of the Group formulated by the Risk Management Committee and approved by the Board, states the Group's approach to address uncertainties in its endeavour to achieve its stated and implicit objectives. It prescribes the roles and responsibilities of the Group's management, the structure for managing risks and the framework for risk management. The framework seeks to identify, assess and mitigate financial risks in order to minimize potential adverse effects on the Group's financial performance.

The following disclosures summarize the Group's exposure to financial risks and information regarding use of derivatives employed to manage exposures to such risks. Quantitative sensitivity analysis have been provided to reflect the impact of reasonably possible changes in market rates on the financial results, cash flows and financial position of the Group.

### A Market risk

Market risk is the risk of loss of future earnings, fair value or future cash flows arising out of change in the price of a financial instrument. These include change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

The Group manages market risk through a Risk Management Committee engaged in, inter alia, evaluation and identification of risk factors with the object of governing/mitigating them according to Group's objectives and declared policies in specific context of impact thereof on various segments of financial instruments. The Board provides oversight and reviews the risk management policy on a quarterly basis.

#### i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to balance the Group's position with regards to interest income and interest expense and to manage the interest rate risk, treasury performs a comprehensive interest rate risk management. As the Group does not have any significant amount of debt, the exposure to interest rate risk from the perspective of Financial Liabilities is negligible. Further, treasury activities, focused on managing investments in debt instruments, are centralised and administered under a set of approved policies and procedures guided by the tenets of safety, liquidity and returns. This ensures that investments are made within acceptable risk parameters after due evaluation.

#### ii) Foreign currency risk

The Group operates internationally with transactions entered into several currencies. Consequently the Group is exposed to foreign exchange risk towards honouring of export/ import commitments.

Management evaluates exchange rate exposure in this connection in terms of its established risk management policies which includes the use of derivatives like foreign exchange forward contracts to hedge risk of exposure in foreign currency.

The carrying amounts of the Group's foreign currency denominated monetary items are as follows:

Particulars	USD	EUR	AED	AUD	GBP	CHF	JPY	Total
<b>Foreign currency exposure as at 31 March 2024</b>								
Export receivables	<b>370.92</b>	<b>3.76</b>	-	-	-	-	-	<b>374.68</b>
Overseas creditors	<b>98.18</b>	<b>38.80</b>	<b>0.10</b>	<b>0.08</b>	<b>0.14</b>	<b>0.16</b>	-	<b>137.46</b>
Advance to suppliers	<b>22.25</b>	<b>8.65</b>	-	-	<b>0.10</b>	-	<b>0.00</b>	<b>31.00</b>
Advance from customers	<b>14.85</b>	<b>0.04</b>	-	-	-	-	-	<b>14.89</b>
Bank balances in Exchange Earner Foreign Currency (EEFC) accounts	<b>4.46</b>	-	-	-	-	-	-	<b>4.46</b>
<b>Foreign currency exposure as at 31 March 2023</b>								
Export receivables	353.23	5.44	-	-	11.98	-	-	<b>370.65</b>
Overseas creditors	156.26	10.46	0.13	0.06	0.01	0.27	-	<b>167.19</b>
Advance to suppliers	89.41	5.06	-	-	0.10	-	-	<b>94.57</b>
Advance from customers	17.33	0.02	-	-	-	-	-	<b>17.35</b>
Bank balances in Exchange Earner Foreign Currency (EEFC) accounts	0.66	-	-	-	-	-	-	<b>0.66</b>

The above table represents total exposure of the Group towards foreign exchange denominated assets and liabilities. The details of unhedged exposures are given as part of note 61.

#### Foreign currency sensitivity

The below table demonstrates the sensitivity to a 1% increase or decrease in the foreign currencies against ₹, with all other variables held constant. The sensitivity analysis is prepared on the net unhedged exposure of the Group as at the reporting date. 1% represents management's assessment of reasonably possible change in foreign exchange rate. 1% increase or decrease in foreign exchange rates will have the following impact on profit before tax:

Change in foreign exchange rates	31 March 2024		31 March 2023	
	1% increase	1% decrease	1% increase	1% decrease
USD	<b>2.85</b>	<b>(2.85)</b>	2.70	(2.70)
EUR	<b>(0.26)</b>	<b>0.26</b>	0.00	(0.00)
AED	<b>(0.00)</b>	<b>0.00</b>	(0.00)	0.00
AUD	<b>(0.00)</b>	<b>0.00</b>	(0.00)	0.00
GBP	<b>(0.00)</b>	<b>0.00</b>	0.12	(0.12)
CHF	<b>(0.00)</b>	<b>0.00</b>	(0.00)	0.00
JPY	<b>0.00</b>	<b>(0.00)</b>	-	-
<b>Increase / (decrease) in profit or loss</b>	<b>2.59</b>	<b>(2.59)</b>	<b>2.82</b>	<b>(2.82)</b>

#### iii) Price risk

The Group's exposure to price risk arises from investments held and classified as FVTPL or FVTOCI. To manage the price risk arising from investments, the Group diversifies its portfolio of assets.

**Sensitivity analysis**

Profit or loss and equity is sensitive to higher / lower prices of instruments on the Group's profit for the year:

Particulars	31 March 2024	31 March 2023
<b>Price sensitivity</b>		
Price increase by (5%) - FVTOCI	183.53	200.58
Price decrease by (5%) - FVTOCI	(183.53)	(200.58)
Price increase by (5%) - FVTPL	47.49	10.17
Price decrease by (5%) - FVTPL	(47.49)	(10.17)

**B Liquidity risk**

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at a reasonable price. The Group's treasury department is responsible for maintenance of liquidity (including quasi liquidity), continuity of funding as well as timely settlement of debts. In addition, policies related to mitigation of risks are overseen by senior management. Management monitors the Group's net liquidity position on the basis of expected cash flows vis-a-vis debt service fulfilment obligation.

**Maturity profile of financial liabilities**

The table below analysis derivative and non-derivative financial liabilities of the Group into relevant maturity groupings based on the remaining period from the reporting date to the contractual maturity date. The amounts disclosed in the table are the contractual undiscounted cash flows:

As at 31 March 2024	Less than 1 year/ on demand	1 to 5 years	More than 5 years	Total
Lease liabilities	50.30	125.61	103.41	279.32
Deposits payable	1.06	5.59	-	6.65
Non-current borrowings	-	535.97	-	535.97
Current borrowings	622.10	-	-	622.10
Trade payables	2,421.71	-	-	2,421.71
Other financial liabilities (excluding deposits payable)	311.54	-	-	311.54

As at 31 March 2023	Less than 1 year/ on demand	1 to 5 years	More than 5 years	Total
Lease liabilities	41.76	110.97	87.26	239.99
Deposits payable	1.30	4.95	-	6.25
Non-current borrowings	-	298.84	-	298.84
Current borrowings	700.18	-	-	700.18
Trade payables	2,186.61	-	-	2,186.61
Other financial liabilities (excluding deposits payable)	278.54	-	-	278.54

**C Credit risk**

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Group periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of account receivables. Individual risk limits are also set accordingly.

The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Group compares the risk of default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. The Group considers reasonable and supportive forward-looking information.

Financial assets are written-off when there is no reasonable expectation of recovery, such as debtor failing to engage in a repayment plan with the Group. The Group provides for overdue outstanding for more than 90 days other than institutional customers which are evaluated on a case to case basis. The Group's concentration of risk with respect to trade receivables is low, as its customer's base is widely spread across local as well as foreign markets.

Exposure to credit risks	31 March 2024	31 March 2023
<b>Financial assets for which loss allowance is measured using 12 months expected credit losses (ECL)</b>		
Non-current investments	<b>5,258.76</b>	5,520.95
Others non-current financial assets	<b>20.83</b>	30.39
Current investments	<b>1,666.60</b>	736.47
Cash and cash equivalents	<b>247.60</b>	146.82
Bank balances other than cash and cash equivalents above	<b>418.76</b>	179.10
Other current financial assets	<b>42.51</b>	28.97

During the year ended 31 March 2024, the Group has recognised loss allowance of ₹ Nil crores (31 March 2023: ₹ Nil crores) under 12 month ECL model. No significant changes in estimation techniques or assumptions were made during the reporting period (refer note 8 and note 13).

<b>Financial assets for which loss allowance is measured using life time expected credit losses (LECL)</b>		
Trade receivables	<b>898.72</b>	848.75
<b>Summary of change in loss allowances measured using LECL</b>		
<b>Opening allowance</b>	<b>27.28</b>	<b>18.67</b>
Provided during the year	<b>8.14</b>	12.61
Amounts written-off	<b>0.07</b>	4.00
<b>Closing allowance</b>	<b>35.35</b>	<b>27.28</b>

**Concentration of financial assets**

Concentration of credit risk with respect to trade receivables are limited, due to the Group's customer base being large and diverse. All trade receivables are reviewed and assessed for default on a quarterly basis.

Our historical experience of collecting receivables is that credit risk is low. The Group's exposure to credit risk for trade receivables is presented below:

	31 March 2024	31 March 2023
A. Consumer care business	<b>725.72</b>	686.44
B. Food business	<b>159.02</b>	146.87
C. Other segments	<b>8.96</b>	10.19
D. Retail business	<b>2.31</b>	2.41
E. Unallocated	<b>2.71</b>	2.84
<b>Total</b>	<b>898.72</b>	<b>848.75</b>

## 60. CATEGORY WISE CLASSIFICATION OF FINANCIAL INSTRUMENTS

The fair values of the financial assets and financial liabilities are defined as the price that would be received on sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent with those used for the previous financial year. The following methods and assumptions were used to estimate the fair values:

- The fair values of investments in mutual fund units is based on the net asset value ('NAV') as stated by the issuers of these mutual fund units in the published statements as at balance sheet date. NAV represents the price at which the issuer will issue further units of mutual fund and the price at which issuers will redeem such units from the investors.
- The fair values of other investments measured at FVTOCI and FVTPL are determined based on observable market data other than quoted prices in active market.
- The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Group does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

Financial assets and financial liabilities are measured at fair value in the financial statements and are grouped into three levels of the fair value hierarchy.

### A The carrying values and fair values of financial instruments by categories as at 31 March 2024 are as follows:\*

Particulars	Carrying value	Fair value*		
		Level 1	Level 2	Level 3
<b>Financial assets at fair value through profit and loss ('FVTPL')</b>				
Investments in mutual funds	949.72	949.72	-	-
<b>Total</b>	<b>949.72</b>	<b>949.72</b>	<b>-</b>	<b>-</b>
<b>Financial assets at fair value through other comprehensive income ('FVTOCI')</b>				
Investments in debt instruments	4,074.45	-	4,074.45	-
Investments in equity instruments	0.02	-	-	0.02
<b>Total</b>	<b>4,074.47</b>	<b>-</b>	<b>4,074.45</b>	<b>0.02</b>

Particulars	Carrying value	Fair value*		
		Level 1	Level 2	Level 3
<b>Financial assets at amortised cost</b>				
<b>Non-current</b>				
(i) Investments				
Investments in debt instruments	920.80

(iv) Other financial liabilities	279.84			
<b>Sub-Total</b>	<b>3,197.04</b>			
<b>Total</b>	<b>3,645.19</b>			

\* During the year there were no transfers between Level 1 and Level 2 fair value measurements.

### C Valuation technique used to determine fair value:

Specific valuation techniques used to value financial instruments include:

- (a) **Investment in mutual funds:** The fair values of investments in mutual fund units is based on the net asset value ('NAV') as stated by the issuers of these mutual fund units in the published statements as at balance sheet date.
- (b) **Investment in debt instruments:** The fair value of investments that are not traded in an active market is determined using market approach and valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates.

## 61. EXPOSURE IN FOREIGN CURRENCY - UNHEDGED

Outstanding overseas exposure not being hedged against adverse currency fluctuation:

Particulars	Period	Foreign currency		Local currency	
Export receivables	31 March 2024	EUR	0.04	INR	3.76
	31 March 2023	EUR	0.06	INR	5.44
	31 March 2024	USD	4.45	INR	370.92
	31 March 2023	USD	4.30	INR	353.23
	31 March 2024	GBP	-	INR	-
	31 March 2023	GBP	0.12	INR	11.98
Overseas creditors	31 March 2024	USD	1.18	INR	98.18
	31 March 2023	USD	1.90	INR	156.26
	31 March 2024	EUR	0.43	INR	38.80
	31 March 2023	EUR	0.12	INR	10.46
	31 March 2024	GBP	0.00	INR	0.14
	31 March 2023	GBP	0.00	INR	0.01
	31 March 2024	AUD	0.00	INR	0.08
	31 March 2023	AUD	0.00	INR	0.06

Particulars	Period	Foreign currency		Local currency	
	31 March 2024	CHF	0.00	INR	0.16
	31 March 2023	CHF	0.00	INR	0.27
	31 March 2024	AED	0.00	INR	0.10
	31 March 2023	AED	0.01	INR	0.13
Bank balances in exchange earner foreign currency (EEFC) accounts	31 March 2024	USD	0.05	INR	4.46
	31 March 2023	USD	0.01	INR	0.66

## 62. INFORMATION ON DETAILS OF LOANS, GUARANTEES AND INVESTMENTS UNDER SECTION 186 OF THE ACT.

- i) Details of investments made are given in notes 8 and 13.
- ii) There are no loans given by the Group in accordance with Section 186 of the Act read with rules issued thereunder.
- iii) There are no guarantees issued by the Group to any parties.

- 63.** (i) The Group intends to liquidate Dabur Tunisie, a wholly owned subsidiary, which is under process and is likely to be completed by 31 December 2024. The liquidation was earlier expected to be completed by 31 December 2023, but due to certain legal and regulatory compliances under the laws of Tunisia, the completion date was extended. The assets held by Dabur Tunisie are in the nature of plant and equipment, which it no longer intends to utilise in the next 12 months. A search for a buyer is underway. No impairment loss was recognised on reclassification of the plant and equipment as held for sale and the Group expects the fair value less cost to sell to be higher than carrying amount.

- (ii) During the year, Dabur International, Dubai Branch is converted into a wholly owned subsidiary of Dabur International Limited, under the name of Dabur International FZE and consequently Dabur International FZE has become a step-down wholly owned subsidiary of Dabur India Limited.

Further, the Share Capital of Dabur International FZE is 10,000 shares of AED 1000 each, 100% of which is held by Dabur International Limited (wholly owned subsidiary of Dabur India Limited) based out of Isle of Man.

## 64. DISCLOSURE RELATING TO NATURE AND EXTENT OF SIGNIFICANT RESTRICTION ON SUBSIDIARIES PURSUANT TO IND AS 112 - DISCLOSURE OF INTERESTS IN OTHER ENTITIES

Restrictions imposed by Reserve Bank of India ('RBI'), Foreign Exchange Management Act, 1999 ('FEMA'), contractual and regulatory obligations in India and in other jurisdictions where the Group holds interest:

- A Capital contribution of ₹ 543.35 crores as on 31 March 2024 (31 March 2023: 543.35 crores) are subject to restrictive provision of FEMA and the Act respectively.
- B Transfer of scrips of specified number of shares in Naturelle LLC, a wholly owned subsidiary is subject to restrictive provisions of the laws of Emirates of Ras Al Khaimah despite Group's financing against entire capital base of the subsidiary. This however, does not affect beneficial interest of the Group, as it is 100% owner of the total stake.
- C Board of Directors of Dabur International Limited, a wholly owned subsidiary incorporated in Isle of Man and Dermoviva Skin Essential Inc incorporated in United States of America, have resolved against distribution of dividend in the foreseeable future in the interest of strengthening of their intrinsic worth base.
- D Other subsidiaries are not subject to material restriction under normal course of business except for monitoring of prudence of transactions, remittances by local central banks and normal restrictions applicable to domestic entities towards foreign direct investments.

- E Protective rights of non-controlling interests are confined to the extent attributable to minority stakeholders which are more or less common in international context.

## 65. OTHER STATUTORY INFORMATION:

- (i) The Group does not have any Benami property, where any proceeding has been initiated or pending against the Group for holding any Benami property,
- (ii) The Group does not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period,
- (iii) The Group has not traded or invested in Crypto currency or Virtual Currency during the financial year,
- (iv) The Group has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall;
  - (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or,
  - (b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries
- (v) The Group has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Group shall:
  - (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or ,
  - (b) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries,
- (vi) The Group has no such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey) or any other relevant provisions of the Income Tax Act, 1961.
- (vii) The Group has not been declared as wilful defaulter by any bank or financial institution (as defined under the Companies Act, 2013) or consortium thereof, in accordance with the guidelines on wilful defaulters issued by the Reserve Bank of India.
- (viii) The Group does not have any transactions with Companies struck off, other than disclosed in note 29.3.

## 66. BUSINESS COMBINATION - BADSHAH

### (a) Summary of acquisition

Pursuant to Share Purchase Agreement ("SPA") and Shareholders Agreement ("SHA") executed by Dabur India Limited ("Dabur" or "the Company") with the existing Promoters and Shareholders of Badshah Masala Private Limited ("Badshah"), the Group had acquired 51% equity shareholding of Badshah from its shareholders upon fulfilment of terms and conditions as per SPA and SHA and the said transaction had been completed on 2nd January 2023.

Consequent to the above transaction, Badshah Masala Private Limited had become a subsidiary of Dabur India Limited w.e.f. 02 January 2023. Badshah, an Indian company, is primarily engaged in the business of spices under the trademark 'Badshah'.

### (b) Accounting treatment

Said transaction has been accounted for using the acquisition method prescribed under Ind AS 103 – 'Business Combinations', and accordingly, the identifiable assets (both tangible and intangible) acquired and liabilities assumed are recorded on acquisition date at their fair values as determined by an independent valuer. Excess of purchase consideration over the fair value of identified assets acquired, liabilities assumed and non-controlling interest in the acquiree has been recognised as Goodwill.

## (c) Purchase consideration and acquisition related costs

The total purchase consideration and transactions costs are ₹ 481.32 Crores and ₹ 0.62 Crores respectively. The entire consideration was paid in cash.

## (d) The fair values of identifiable assets acquired and liabilities assumed on acquisition are as follows:

Particulars	Amount
<b>Assets</b>	
Property, plant and equipments	38.63
Right of use - buildings	1.60
Brand and distribution network	875.00
Inventory	16.82
Cash and cash equivalents	1.41
Other current and non-current assets	14.33
<b>Sub total</b>	<b>947.79</b>
<b>Liabilities</b>	
Trade payables	(26.84)
Other current and non-current liabilities	(131.41)
<b>Sub total</b>	<b>(158.25)</b>
<b>Fair value of total identifiable assets acquired and liability assumed</b>	<b>789.54</b>
<b>Consideration transferred</b>	<b>481.32</b>
<b>Minority interest recognised</b>	<b>462.43</b>
<b>Goodwill *</b>	<b>154.21</b>

\* Goodwill is attributed to the potential of growing the brand nationally, assembled workforce, expected operating synergies etc. Goodwill has not been considered as a depreciable asset for income tax purpose.

## (e) Revenue and loss contribution

The acquired businesses contributed revenue from operations and loss after tax ₹ 59.10 crores and ₹ 17.38 crores respectively to the Group for the period ended 31 March 2023.

If the acquisition had occurred on 01 April 2022, combined pro-forma revenue from operations and loss after tax for the year ended 31 March 2023 in relation to the acquisitions would have been ₹ 225.59 crores and ₹ 44.23 crores respectively. These amounts have been calculated using the subsidiary's results and adjusting them for:

- ◆ differences in the accounting policies between the Group and the subsidiary; and
- ◆ the additional depreciation and amortisation that would have been charged assuming the fair value adjustments to property, plant and equipment and other intangible assets had applied from 01 April 2022, together with the consequential tax effects, as applicable.

**68. NAMASTE LEGAL CASE UPDATE**

A civil suit has been filed against one of the subsidiaries named Namaste Laboratories LLC in federal and state courts in USA and Canada along with other companies in hair relaxer industry, where it has been alleged that usage of such hair relaxer products leads to harmful effects. The case has been filed on the basis of an incomplete and inconclusive study. Namaste disputes the same and stands for the safety of its products and consumers. Namaste denies any liability and have retained counsel to defend them in these lawsuits. The matter is sub judice and Namaste along with other defendants maintains that there is no legal merit to this suit.

At this stage of the litigation, settlement or verdict outcome cannot be determined. Since we are in the initial stage of litigation, any final claim settlement amount is neither probable nor estimable. This portfolio is less than 1% of our consolidated revenue and we have a product liability insurance in place.

**69. CLASSIFICATION OF TÜRKIYE AS A HYPERINFLATION ECONOMY**

The Türkiye economy was designated as a hyperinflationary. As a result, application of Ind AS 29 'Financial Reporting in Hyperinflationary Economies' has been applied for the first time to the Group's subsidiaries M/s HOBİ Kozmetik and RA Pazarlama whose functional currency is the Turkish Lira ('TRL'). Considering that the presentation currency of consolidated financial results is INR, the restatement of comparative figures in consolidated financial statements is not required. The effect of retranslation of Equity share capital, securities premium and other reserves due to hyperinflation has been recorded in the Foreign currency translation reserve.

The main effects on the Group Consolidated financial statements for the year ended 31 March 2024 is:

- Net assets increased by ₹ 75.60 crore mainly due to restatement of property, plant and equipment with corresponding increase in total equity as at 31 March 2024.

**70.** In the opinion of the Board of Directors, current assets have a value on realization in the ordinary course of business at least equal to the amount at which they are stated in the balance sheet and provisions for all known / expected liabilities have been made.

**71.** The figures of the previous year have been re-classified according to current year classification wherever required.

As per our report of even date attached.
