Subject: Submission of information pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 - Intimation of temporary suspension of operations at manufacturing units due to pandemic of Corona virus (Covid-19)

Dear Sir,

Pursuant to the above regulation, we wish to submit as under:

COVID-19 has resulted in an unprecedented scenario, with the Government issuing notifications on lockdowns across cities to ensure public safety. Complying with the Government directive, we have temporarily suspended production at our manufacturing units till March 31, 2020, except for essential products like Ayurvedic medicines, Chyawanprash, hand sanitisers, hand wash etc. in the larger public interest.

The situation is still dynamic and uncertain and it is difficult to evaluate or quantify the impact at this point of time. A lot will depend on the stabilization of the overall scenario arising from the COVID-19 pandemic.

As an Ayurvedic Healthcare Company, we have responded to the growing consumer needs and increased production and supply of products like Chyawanprash, Giloy, Honitus etc. in addition to fast-tracking the introduction of hand sanitisers. We have also enhanced supplies to e-commerce.

We have taken various measures for the safety of our staff including Work from Home, Meetings through Video Conferencing, improved sanitization of premises etc.

We believe this disruption is extraordinary and temporary in nature. We expect the business to revive once the situation improves. We are planning to stay the course in terms of our strategy and operations and will continue to invest behind our brands and business. We have a strong product portfolio and wide distribution network, which we plan to leverage and pave the way for normalization in the next few months.

This is for your information and records.

Thanking You,
Yours faithfully,
For Dabur India Limited
