Ref.: Update on information submitted vide letter dated 19.10.2015

Dear Sir,

Further to our communication dated 19.10.2015 regarding impact due to the unrest in Nepal, please find below an update on the same:

- There is no improvement in the eco-political situation in Nepal till date and the India- Nepal border continues to remain closed.
- We have lost some part of Juice sale in October and November, 2015 and estimated Juice sale during Q3 of FY 2015-16 will be lower by 10-15% vs Previous Year. This is a onetime issue beyond our control and will have a near term impact on Q3 FY 2015-16 performance. However we should be able to get back on track in Q4 FY 2015-16.
- We had already ramped up the production of juices in Sri Lanka & Newai, Rajasthan and have also engaged with third parties to cater to our demand requirement for the month of December and going forward.
- Depending upon the timing of opening of the border, the impact on inventory & other cost will be evaluated/ considered.

We will keep you updated of any further developments as they arise.

Thanking you,

Yours faithfully
For Dabur India Limited
