Call it a search for holistic and healthier living, a similar need drives people’s preferences across the length and breadth of India and other countries across the world.

It is a tradition that is rooted in the Indian ethos, which has now expanded and gained global reach.

Millions of people across 60 countries and 4 continents (Asia, Africa, North America & Europe) repose their trust in the one brand portfolio that spells Natural and Ayurvedic care.

A brand loyalty that has been built over generations, through a cumulative period of over 126 years... a tradition of trust that has crossed the Indian boundaries and is still growing from strength to strength.

This trust that has been reposed on our brands has powered the growth of Dabur from a small Ayurvedic pharmacy - that began operations in the bylanes of Kolkata - into a global market leader in Ayurvedic and Herbal Health and Personal Care products.
Dabur, Vatika, Hajmola, Réal and Fem are today not just well-known brand names in India, these brands now have a growing presence in consumers’ mind space in markets like Middle East, Africa, South Asia and USA. In addition, our newest acquisitions - Hobi Group in Turkey and Namasté Laboratories LLC, USA, have given Dabur access to an array of products and technologies for extending its reach and presence further in the global arena.

No surprise then that Dabur is not just the 4th largest FMCG company in India with revenues of ₹4,110 crores, but it is the world’s largest Ayurvedic and Natural Health Care & Personal Care company with a product portfolio which caters to and is customized for the local consumers. A company which has truly become global with a difference.

This is the story of a Company with Indian Roots and Global Reach.
